

# SELECT NETWORK

The Select Network is a small, AultCare network available with access to quality care at local hospitals. Not all providers at these hospitals are included in the Select Network.

To maximize plan benefits, consult the directory at [www.aultcare.com/findaprovider](http://www.aultcare.com/findaprovider). You can confirm if your provider is in network by searching within the Select Network directory.

## SELECT NETWORK HOSPITALS

### Stark County

- Aultman Alliance Community Hospital
- Aultman Hospital
- Cleveland Clinic Mercy Hospital

### Summit County

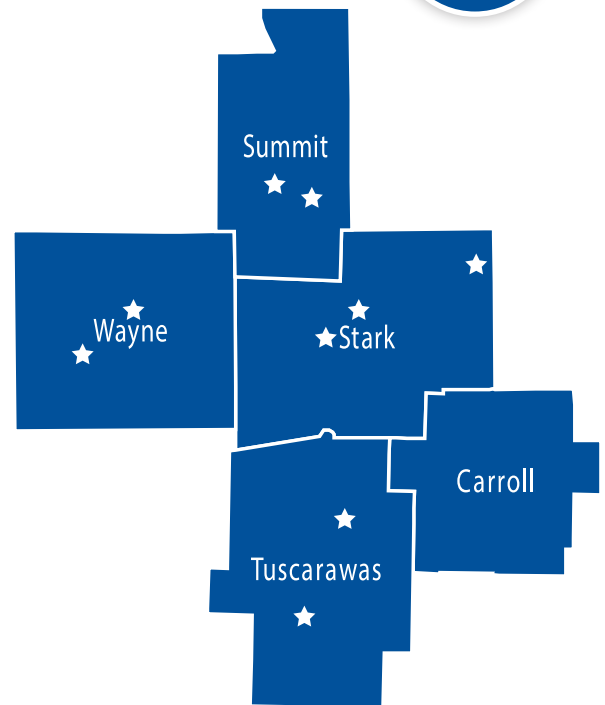

- Akron Children's Hospital
- Cleveland Clinic Akron General Medical Center

### Tuscarawas County
