ADDITIONAL PLAN SPECIFICATIONS

Network Pharmacies

You can enjoy the convenience of local and national pharmacy service at discounted network pricing. Please remember to present your card at the pharmacy for your prescriptions. If a prescription is purchased without using your card, you must purchase the prescription and mail into AultCare for reimbursement. For a pharmacy listing please visit the AultCare website or contact the AultCare Service Center.

Non-Network Pharmacies

If you use a Non-Network pharmacy, you must purchase the prescription and mail into AultCare for reimbursement. We will reimburse up to the maximum amount we would pay if you used a Network pharmacy. The above co-payments and co-insurance will not apply.

Generic vs. Brand

A generic medication will be dispensed when available unless your physician specifically requests a brand drug.

Long term ongoing prescriptions

For long term ongoing prescription drug needs, you can receive up to a 90-day supply through your mail order prescription program. When participating in the mail order program, you pay the appropriate co-payment per 90-day supply. The mail order pharmacy must fill your prescription for the exact quantity of medications prescribed by your doctor, up to the 90-day plan limit. "30 days plus 2 refills" does not equal one prescription written for "90 days".
