

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. Please read the FEHB Plan brochure (RI 73-699) that contains the complete terms of this plan. All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. You can get the FEHB Plan brochure at www.aultcare.com/fehb, and view the Glossary at www.aultcare.com/fehb. You can call 330-363-6360 or 1-800-344-8858 to request a copy of either document.

Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>Network Provider \$2,000 / Self Only \$4,000 / Self Plus One \$4,000 / Self and Family Out-of-Network Provider \$ 4,000 / Self Only \$ 8,000 / Self Plus One \$ 8,000 / Self and Family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Network Preventive care services are covered before you meet your deductible</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No</p>	<p>You don't have to meet deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Network Provider \$4,000 / Self \$8,000 / Self Plus One \$8,000 / Self and Family Out-of-Network Provider \$8,000 / Self \$16,000 / Self Plus One \$16,000 / Self and Family</p>	<p>The out-of-pocket limit, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. Your out-of-pocket expenses may be decreased through the Health Reimbursement Account (HRA) or Health Savings Account (HSA).</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, penalties for failure to obtain precertification, balance-</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
